

Adult Services

The mission of the Office of Adult Services is to serve elderly, disabled, vulnerable persons and their families through a home and community based delivery system.

Adult Protective Services (APS)

The purpose of this program is to investigate reports of neglect, self-neglect, abuse or exploitation of adults who are unable to protect their own interests and are at risk of immediate harm.

In-Home Aide Services (IHAS)

The IHAS program assists functionally disabled adults with activities of daily living in their home. Services provided include chore, personal care, transportation/escort, training in self-care, caretaking skills, etc.
